Do you want to change lives? Do you thrive in an environment of transformational change? Do you have a strong background in fundraising? Then we invite you to join our growing philanthropy team!

**Position Summary**
Building off the success of a recently completed $9.5 million capital campaign, Yolo Food Bank (YFB) is expanding its fundraising capacity by adding a Philanthropy Officer who will serve as a frontline fundraiser. The Philanthropy Officer will secure larger gifts through individual and corporate giving in support of YFB’s special campaigns and annual operational budget. Primary responsibilities are prospect research, cultivation, solicitation, closing gifts, executing gift agreements, and stewardship related to both existing and prospective donors. The incumbent will take the lead on donor conversations and tours while also involving the Director of Philanthropic Engagement and Executive Director as appropriate. In addition, the Philanthropy Officer will collaborate with the entire YFB team to plan, prioritize and organize all available resources to meet fundraising goals and build a culture of philanthropy. This position reports to the Director of Philanthropic Engagement.

**About Yolo Food Bank**
In executing its mission to end hunger and malnutrition in Yolo County, YFB positively impacts the lives of more than 44,000 people who live in poverty in Yolo County. We provide for 55,000 food distribution visits each month at more than 80 locations via a network of 200 partnerships with food donors, distribution sites and relationships with 72 local nonprofit organizations. This work is propelled from our nearly year-old 42,000 square foot food recovery warehouse and operations facility. The facility offers the programmatic promise and capacity expansion potential to meet the full food security need of Yolo County, and to simultaneously shift the nutritional paradigm of the community. Not only is YFB’s mission to end hunger and malnutrition in Yolo County, YFB actively reduces poverty in the county by advancing environmental, social, and economic sustainability.
